SALISBURY, MISSOURI

Is now on in earnest. Never before in our merchandising career have such crowds responded to the tempting and terrific price slashing that is now going on in every department of our immense establishment. Thirty-two sales people could hardly wait on the crowds that thronged our store from early morning until late at night during the first few days of this sale. People came from every section to take advantage of these extremely low prices that we are now making.

Staple goods, such as Calicoes, Lawns and Gingham, have been reduced and are arriving daily to supply the demand. You can find here what you want for our stocks are still large in every department.

OUR ENTIRE \$35,000 STOCK OF MEN'S AND BOY'S CLOTHING WILL BE SOLD AT 66 CENTS ON THE DOLLAR.

VOTE.

DON'T fail to vote.

VOTE for the best man.

PRIMARY election next Tuesday, August 2, and every good citizen should go to the polls and vote his honest sentiment.

Look out for the campaign liar. He is now abroad in the land getting in his dirty work. Swat him!

THE editor of the COURIER is depending largely on the farmer vote at the primary next Tuesday, August 2. Hundreds of them have pledged us their support for recorder of deeds and we believe they will deliver the goods.

LET'S have more rotation and less monopoly in the offices of Chariton county. A more equal distribution of the spoils of office would arouse more interest and create more enthusiasm and would also make more Democrats.

THE last week before an election is the season for the campaign liar. Anything that can be said now against a candidate could have been said weeks ago. The fact that criticisms have been withheld is cowardly and doesn't give the other fellows a fair opportunity to defend themselves.

IF our friends will only do their whole duty and vote next Tuesday, the editor of this paper will be nominated for recorder of deeds. Their failure to vote for us means our defeat. We have sacrificed considerable official patronage and have made a few enemies in fighting for the people's rights. It is now up to them to show their appreciation of what we have done for them in opposing County Engineer O. G. Dameron, ousting the abstractors from the courthouse and taking a firm stand for interest of the county's funds deposited in banks. Judge us by the enemies we have made and cast your vote accordingly.

LET'S have a full vote and fair count.

Look out for the boodle bug! He is a polluted and palting insect. Clip his wings!

LET'S have a little more "rotation" and not quite so much "customs" in the offices of Chariton county in the future.

HONOR OR DISHONOR—WHICH?

THE editor of the COURIER is making a clean, manly, honorable campaign for recorder of deeds, and if it requires questionable methods to win the nomination then we had rather go down to defeat with honor than win with dishonor. We have never failed to take a square stand in our paper in all matters pertaining to the public weal or woe and are not playing "dry" with the dregs and "wet" with the wets. We have been against graft, whether in official or private life, and no corrupt dollar ever crossed our palm. We can not be bought and are not willing to buy that which will pollute the sanctity of the ballot. People who support us for recorder must do so from principle and not for pelf. We may be chasing a rainbow in the hope of getting an office on such a platform, but we have every confidence in the higher standard of Chariton county's Democratic citizenship and leave our case in their hands.

Harvest is Over

and now is the time to commence getting ready for another crop. Commence right by buying the best up-to-date tools. I have the up-to-date sulky and gang plows, disc harrows, peg tooth harrows and wheat drills, also manure spreaders, farm wagons, hay balers, Sampson wind mills pipe and fittings, pumps and repairs. If you want your old plows put in first class shape for fall plowing bring them in. Now is the time and here is the place to get first class work and goods worth the money. Come to the Maccabee picnic and see my display of best farm machinery on the market.
